

CREATING GENERAL ACCOUNT ACTION :

CREATED :

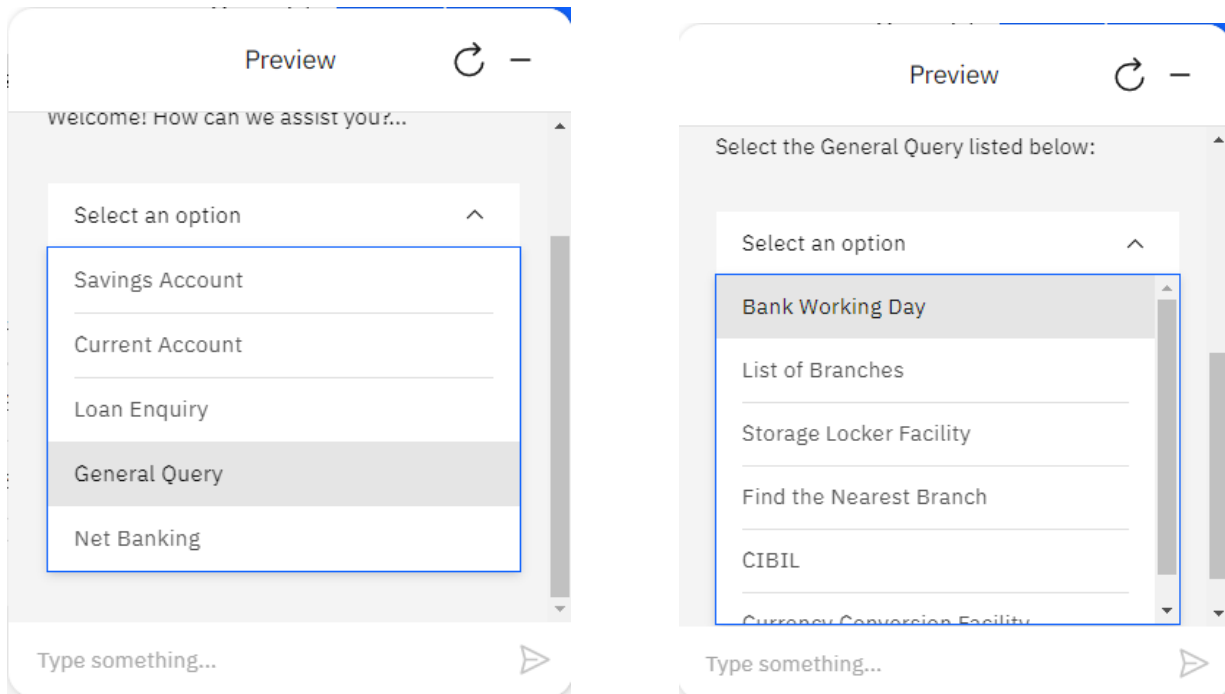

The screenshot shows the 'Actions' page in the IBM Watson Assistant console. On the left, there is a sidebar with navigation options: 'Actions' (selected), 'Variables', and 'Saved responses'. Under 'Actions', there are sub-options: 'Created by you', 'Set by assistant', and 'Set by integration'. The main area displays a table of actions created by the user.

Name	Last edited	Examples Count	Status
General Query	7 days ago	6	✓
Index	2 days ago	4	✓
Greetings	a month ago	4	✓
Savings Account	2 days ago	3	✓
End Greeting	7 days ago	6	✓

At the bottom of the table, it says 'Items per page: 50' and 'Showing 1-9 of 9 actions'. There is a 'New action +' button in the top right corner and a 'Preview' button in the bottom right corner.

OUTPUT SCREENSHOT FOR GENERAL ACCOUNT ACTION :

The image shows two side-by-side screenshots of the chat interface. Both screenshots have a 'Preview' header with a refresh icon and a minus sign.

The left screenshot shows a chat bubble with the text 'welcome! How can we assist you?...' and a response box titled 'Select an option'. The response box contains a list of options: 'Savings Account', 'Current Account', 'Loan Enquiry', 'General Query' (highlighted), and 'Net Banking'. Below the response box is a text input field with the placeholder 'Type something...' and a send button.

The right screenshot shows a chat bubble with the text 'Select the General Query listed below:' and a response box titled 'Select an option'. The response box contains a list of options: 'Bank Working Day', 'List of Branches', 'Storage Locker Facility', 'Find the Nearest Branch', 'CIBIL', and 'Currency Conversion Facility'. Below the response box is a text input field with the placeholder 'Type something...' and a send button.
