

## IBM WATSON ASSISTANT SERVICE

The screenshot displays the IBM Cloud Dashboard interface. At the top, a dark navigation bar includes the IBM Cloud logo, a search bar, and links for Catalog, Manage, and the user's account (SRIDHAYAA AS's Account). The main content area is titled "Dashboard" and features a "For you" section with eight recommended service tiles. These tiles include "Build", "Set up your IBM Cloud account", "IBM Watson Knowledge Catalog", "Build a web app with Watson Speech to Text", "IBM Watson Internet of Things Platform", "Use Continuous Delivery", "Build a data lake", and "Build a Virtual Private Cloud (VPC)". Each tile provides a brief description, a "Getting started" button, and a time estimate. Below the "For you" section, there are four more tiles: "News", "Recent support cases", "Planned maintenance", and "IBM Cloud status". The "News" tile lists recent articles, while the "Recent support cases" tile shows a summary of support cases. The "Planned maintenance" tile indicates clear skies. The "IBM Cloud status" tile displays a world map and a status indicator. A sidebar on the left contains various icons for navigation, and a bottom right corner shows an "Activate Windows" watermark.
