

## CREATING FOR NET BANKING ACTION :

### CREATED :

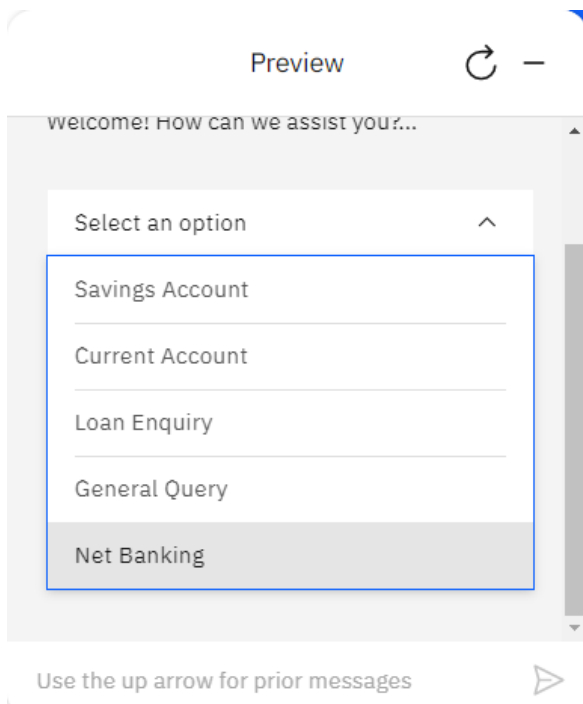

The screenshot shows the 'Actions' page in the IBM Watson Assistant interface. On the left, a sidebar lists navigation options: 'Actions' (selected), 'Variables', and 'Saved responses'. Under 'Actions', there are sub-options: 'Created by you', 'Set by assistant', and 'Set by integration'. The main area displays a table of actions created by the user.

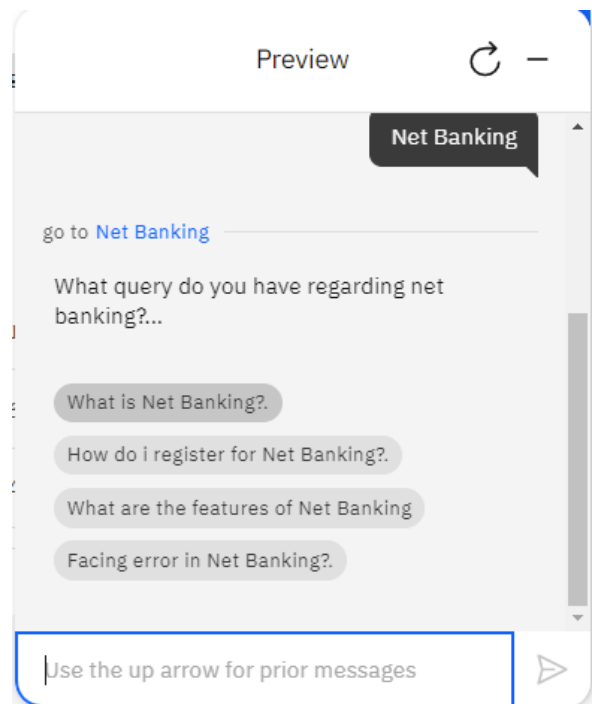

Name	Last edited	Examples Count	Status
<a href="#">Net Banking</a>	7 days ago	5	✓
<a href="#">Loan Account</a>	7 days ago	6	✓
<a href="#">Current Account</a>	7 days ago	1	✓
<a href="#">General Query</a>	7 days ago	6	✓
<a href="#">Index</a>	2 days ago	4	✓

At the bottom of the table, it says 'Items per page: 50' and 'Showing 1-9 of 9 actions'. There are also pagination controls showing '1 of 1 pages'. A 'New action +' button is in the top right, and a 'Preview' button is at the bottom right.

## OUTPUT FOR NET BANKING ACTION :

The screenshot shows the 'Preview' window for the 'Net Banking' action. The header says 'Preview' with a refresh icon. The main text is 'welcome! How can we assist you?...'. Below this is a 'Select an option' dropdown menu with the following options: 'Savings Account', 'Current Account', 'Loan Enquiry', 'General Query', and 'Net Banking' (which is highlighted). At the bottom, there is a text input field with the placeholder 'Use the up arrow for prior messages' and a right arrow icon.

The screenshot shows the 'Preview' window for the 'Net Banking' action. The header says 'Preview' with a refresh icon. The main text is 'go to [Net Banking](#)'. Below this is a text input field with the placeholder 'What query do you have regarding net banking?...'. Below the input field are four example queries: 'What is Net Banking?', 'How do i register for Net Banking?', 'What are the features of Net Banking', and 'Facing error in Net Banking?'. At the bottom, there is a text input field with the placeholder 'Use the up arrow for prior messages' and a right arrow icon.
